

Pupil Premium Statement: 2016 – 2017

Background to the Pupil Premium

The Pupil Premium is a government grant which is allocated to schools based on the number of pupils on roll who are either: looked after children, children of service personnel, children registered for Free School Meals (FSM) or children who have been registered for FSM within the last six years. The purpose of the grant is to support schools in ensuring that children who may be disadvantaged achieve and attain in line with their peers.

The grant was introduced five years ago and in the 2016-17 financial year schools receive £1,320 for pupils in Reception year to year 6 for each child registered as eligible for FSM at any point in the last six years. Schools will also receive £1,900 for each pupil who has left local authority care because of (one of) adoption, a special guardianship order, a child arrangement order or a residence order.

Our Rationale

The Academy Trust acknowledges the responsibility for 'socially disadvantaged' pupils and we are committed to meeting their pastoral, social and academic needs within the Academies' environment. We are committed to 'Narrowing the Gap' between vulnerable pupils and the Pupil Premium forms a vital part of that process.

The CHAT Academies approach the Pupil Premium through the following principles:

- ensuring that teaching and learning opportunities meet the needs of all pupils;
- ensuring that appropriate provision is made for pupils who belong to vulnerable groups, including ensuring the needs of socially disadvantaged are adequately assessed and addressed;
- recognising that not all pupils who receive FSM will be socially disadvantaged, as well as that not all pupils who are socially disadvantaged are registered or qualify for FSM;
- allocating the funding to support any pupil or groups of pupils the Academy Trust has legitimately identified as being socially disadvantaged; and
- allocating the funding following a 'needs analysis' to identify priority class, groups or individuals.

Limited funding and resources mean that not all children receiving free school meals will be in receipt of Pupil Premium interventions at one time.

Provision is made through:

- enabling pupils' access to education;
- enabling pupils' access to the curriculum; and
- alternative support and intervention within the Academy environment.

The targeted and strategic use of Pupil Premium will support us in achieving our vision. All our work through the Pupil Premium is aimed at accelerating progress and moving children to at least age-related expectations, or to make two sub-levels of progress each year in English and Mathematics. Evidence from 'pupils' progress' meetings show that there is no overall difference in attainment between FSM and other groups.

Academic Year 2015-16

School context:

- 37% of our students (as at October 2015 census) were eligible for the school to receive Pupil Premium funding.
- Our **Pupil Premium Grant** was £81,300 which was 5.7% of our school budget.

How the grant was spent in 2015-16:

The school invests a large amount of resources for all its pupils in order that all pupils thrive and are supported in their progress. In addition to extra classes and smaller class sizes, enrichment activities, interventions and academic or pastoral support, the Pupil Premium Grant was allocated as listed in the table below for 2015-16.

Academic Outcomes

The tables below set out to demonstrate the impact of the Pupil Premium Grant on end of year outcomes (2015-16) for children in Reception and Year 2.

Year Group Overview – EYFS as at June 2016			
Number of Pupils: 60		Percentage of Pupils: 100%	
	Working towards	Working at expected +	Working at greater depth
Reading	7%	65%	27%
Writing	13%	73%	13%
Maths	5%	80%	15%

Pupil Premium Overview – EYFS as at June 2016			
Number of Pupils: 12		Percentage of Pupils: 20%	
	Working towards	Working at expected +	Working at greater depth
Reading	8%	67%	25%
Writing	17%	75%	8%
Maths	0%	92%	8%

Key points:

- The percentage of Pupil Premium children in Reception is average for the school.
- Pupil Premium children are in line with Non-Pupil Premium children within the area of reading. Reading provision includes small reading groups and 1:1 tuition.
- The attainment of Pupil Premium children is broadly in line with their peers in Mathematics. Gaps have been closed as a result of small Mathematics groups, 1:1 support and tuition.
- Pupil Premium children are in line with Non-Pupil Premium children within the area of writing.

Academic Year 2015-16

Year Group Overview – KS1 as at June 2016			
Number of Pupils: 60		Percentage of Pupils: 100%	
	Working towards	Working at expected +	Working at greater depth
Reading	20%	80%	50%

	Working towards	Working at expected +	Working at greater depth
Reading	23%	77%	50%
Writing	27%	73%	41%
Maths	36%	64%	41%

Key points:

- The percentage of Pupil Premium children in Year 1 is above the national average, as well as the average for the school.
- Pupil premium children out-perform Non-Pupil Premium children within the areas of Reading, Writing and Mathematics.
- Gaps have been narrowed as a result of small groups for reading, writing and mathematics, 1:1 tuition and support, social skills and EAL groups and through the use of the school counsellor.
