Our nurseries and extra-curricular clubs

Most of our primary academies include a range of services and activities including nurseries at our primary academies and after school clubs for most groups

Whilst we will regularly update our websites and send school-wide notes to parents, we may occasionally wish to contact smaller groups of parents / carers or send personalised messages about extra-curricular opportunities that they or their child may be interested in or benefit from.

We'd be grateful if you could let us know your preferences. If you select 'Yes', you can change your mind any time.

I give consent that I may be contacted with information about extra-curricular clubs and activities which may be of interest to me or my child.	Yes	No
