

Confirmed case of COVID-19 in Cuckoo Hall

9th December 2020

Dear Parent/Carer,

We have been advised by Public Health England that there is a confirmed case of COVID-19 within the school.

The confirmed case is a child in Class 5SB at Woodpecker Hall Academy.

As your child has been in close contact with the infected child, in line with national guidance, your child must now **stay at home and self-isolate** until **Monday 21st December**. You must not bring them into school. Your last day of self-isolation is **Monday 21st December**. Children will be able to go out from **Tuesday 22nd December 2020**.

If your child is well at the end of the 14-day period of self-isolation, then they can return to usual activities, including school. Other members of your household can continue their normal activities provided your child does not develop symptoms within the 14-day self-isolation period.

Please see the link to the PHE Staying at Home Guidance. Read the guidance [here](#).

What to do if your child develops symptoms of COVID 19

If your child develops symptoms of COVID-19, they should remain at home for at least 10 days from the date when their symptoms appeared. All other household members who remain well must stay at home and not leave the house for 14 days.

The 14-day period starts from the day when the first person in the house became ill.

Household members should not go to work, school or public areas. Household members staying at home for 14 days will greatly reduce the overall amount of infection that they can pass on to others in the community.

If you are able, isolate from vulnerable individuals (such as the elderly and those with underlying health conditions) living in your home, please do so during your isolation period.

Symptoms of COVID 19

The most common symptoms of coronavirus (COVID-19) are recent onset of:

- new continuous cough and/or
- high temperature
- a loss of, or change in, your normal sense of taste or smell (anosmia).

If your child or anyone in the household does develop symptoms, you can seek advice from NHS 111 [here](#)

Home Learning

Children in Class 5SB

Up until Thursday 17th December your child's teacher will be working from home too. Your child will be expected to continue to learn from home every day.

Your child's learning will be posted onto DB primary daily. The class teacher will be monitoring the work online and will get in touch with your child by phone or Zoom at least twice a week for a catch up. Please see the attached timetable for home-learning.

If you have any queries about this letter, please contact the school office on the numbers at the start of the letter.

Kind Regards,

Nicky Ross
