

Right Way Wrong Way

Home Physical Education

Can you play fairly and encourage each other?

How to play:

- Layout objects; teddy bears, cones or toys across the space making sure they are all upside down.
- On 'go' how long does it take to turn all the objects the right way up?
- What could you do to get quicker and beat your time?
- Play against an opponent. Who can turn all the objects around the quickest?

Can you keep trying even if someone else is quicker than you?

Top Tips

On your toes!

Moving on the balls of your feet, and bending your knees will help you move quicker to each object!

Let's Reflect

Were you able to move on the balls of your feet to be quick?

Did you have a plan for which order you would turn the objects over?

Game 2 - Tidy up:

Layout 10 objects across the floor. Have a box in the middle of the room.

How fast can you pick up the objects off the floor and place them in the box. You can only pick up 1 object at a time.

Mr. May's score putting 10 objects into the box was 20 seconds. Can you beat Mr. May?
Good luck 😊

Challenge yourself: How about changing the way you travel to collect the objects? E.g. Hopping or jumping.
