Competition:

- **Competition 1 – *Personal best*:** Can you improve your score and reach your personal best for each challenge.
- **Competition 2 – *School participation*:** We want to see what schools are completing the challenges and being the most active, so when you send in your results via the link above, your school will receive 1 point. It is so important you complete the form if you want your school to get your point.

Which school is going to win this week's participation competition? Every Friday results will be taken, and the leader board will be updated for you to see how your school is doing.

Sporting spirit values: Remember to show the sporting spirit values when completing these challenges.

Passion / Teamwork / Self-belief / Respect / Honesty / Determination

BE THE
BEST
YOU
CAN BE

Frying Pan Catch

How many times can you throw the socks up in the air and catch them using the frying pan in 60 seconds?

Mr May scored 53 catches in 60 seconds. Can you beat my score? Good luck with this challenge, I hope you enjoy playing 😊 Remember to do this challenge as many times as you can during the week to try and beat your personal best score and to stay active.

Challenge yourself further: Why not try swapping hands, flipping the frying pan or even walking around while doing the challenge.

Benefits of this challenge: Hand eye co-ordination / Control

Equipment: You need a pair of rolled up socks and a frying pan. Why not try throwing and catching other objects like rolled up paper ball or a toilet roll.

Safety: Please remember to play this game with enough space.

Send in your videos via DB primary if you have permission **(Cuckoo & Woodpecker Only)**.

Please use the link below to add your scores so your school can earn 1 point towards their weekly total.
