Lateral Flow Test Initial Letter
Closing Bubble Class 5SB Woodpecker Hall Academy School

Dear Parent/Carer,

We have been advised that a child has had a positive test from a Lateral Flow Device (LFD) from your child's bubble.

This child has now been sent for a full PCR test to confirm this result.

We have followed the national guidance and your child has been in close contact therefore your child must now stay at home and self-isolates whilst we await the result of the full PCR test.

Class 5SB bubble will be closed pending this result.

Please do not send your child into school until you hear otherwise.

Please note that any siblings in other bubbles can continue to attend school as normal, providing they are well.

If the child tests negative following the PCR test, we will re-open the bubble.

I will write to you with further details as soon as I have them.

Home Learning

Your child's teacher will be working from home whilst we wait for the results. Your child will be expected to continue to learn from home every day and your child's learning will be posted onto DB primary daily.

Class registration will take place at 9am via Zoom each morning and your child must attend as this is where the day's learning will be explained.

Symptoms of COVID 19

The most common symptoms of coronavirus (COVID-19) are recent onset of:

- New continuous cough and/or
- High temperature
- Loss of, or change in, your normal sense of taste or smell (anosmia).

If your child or anyone in the household does develop symptoms, you can seek advice from NHS 111 [here](#).

Precautions

There are things you can do to avoid catching or spreading coronavirus

Wash your hands with soap and water often – do this for at least 20 seconds

When you leave your home, always wash your hands when you return

Use hand sanitiser gel if soap and water are not available

Cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze

Put used tissues in the bin immediately and wash your hands afterwards

Try to avoid close contact with people who are unwell

Thank you for your support in following this guidance and supporting us to ensure that we minimise the infection rate within our school community.

Kind Regards,

Nicky Ross

A handwritten signature in black ink that reads "Nicky Ross". The signature is written in a cursive style, with the first name "Nicky" and the last name "Ross" clearly legible.
