Parent - Teacher Consultation

Dear Parents/Carers,

Across our Trust, we aimed to return to face to face parent-teacher consultations in February.

However, due to the Omicron variant and the continued increase in Covid-19 cases within our communities, it has been agreed that we will continue with remote meetings for the time being.

This means that all primary schools in the Trust will be closed on Friday 11th February to support remote parent-teacher consultations.

We will be contacting you in the upcoming weeks for you to sign up for your parent-teacher meeting through Arbor. We will be using the TEAMS platform to hold our virtual parents' meeting.

If you have any questions regarding this, please contact me through the school office.

Kind Regards,

Nicky Ross
Headteacher Woodpecker Hall Academy
