**Montell Douglas visits Woodpecker Hall.**

Dear Parent/ Carers,

On **Friday 29<sup>th</sup> April 2022**, Woodpecker Hall are hosting a charity fund raiser event to help support athletes with their medical and training costs to compete in their chosen sport.

Sports for Champions is a community interest company who not only help raise money for athletes but try to put money back into the community and schools to purchase new playground equipment.

Sports for Champions do this by using a really successful fundraising model, where children are sponsored to complete a fun, motivating and inspiring assembly and fitness circuit with an **Olympian from the Great Britain Team**.

The athlete coming into our school to host this event is **Montell Douglas** from the sport of Bobsleigh.

Montell, will speak to the children about her career, achievements, training regimes, sacrifices made and resilience. She will talk about the highs and lows of her career and how she recovered from the National Lockdowns. The children will get the opportunity to see medals she has won throughout her career and take part in a 4-stage fitness circuit.

As this is a sponsored event, the children will be given a **sponsor form which they can bring back to school along with their donations a week before the event or donations can be made on our fundraising page.**

Thank you for your ongoing support and if you have any questions please contact the school.

Your sincerely,

Mr May  
(Sports Leader)
