Times Table Rockstars

Dear parents/carers,

We're thrilled to announce our upcoming event: **Times Tables Rockstars Day!** Get ready to unleash your child's inner rockstar.

On **Monday 26th February**, we invite **all** students to come to school dressed as their favourite rockstar. Think glitter, sunglasses, outrageous outfits – the more outrageous, the better! It's a day to let their inner rockstar shine.

From the **19th-23rd February** we are encouraging all students in **Year 2 - Year 6** to log onto Times Tables Rockstars and compete in our school competition. As your child engages in fun and interactive times tables activities online, they'll not only sharpen their mathematical skills but also contribute to their own individual score and their class score.

The challenge is on! The class from each year group that rocks the hardest and earns the highest score will be crowned the champions on Monday 26th February during an exciting assembly. But that's not all – there will also be individual certificates for outstanding performers in each year group and a best dressed rockstar for each class.

We encourage you to support your child by ensuring they have access to Times Tables Rockstars at home and by cheering them on as they aim for greatness. Let's make this Times Tables Rockstars Day, one to remember!

Many thanks,

Beth Hiley
Maths Lead
