Year 3 – Extreme Earth – Volcano and Earthquake Workshop

Dear Parent/ Carers,

This half term, in our learning journey lessons, the children in Year 3 will be learning about volcanos and earthquakes.

To develop their learning about volcanos and earthquakes, the children will have the opportunity to participate in an exciting, hands-on workshop provided by Freshwater Theatre Company.

During the dynamic and interactive workshop, the year 3 children will join the Earth Explorer on their latest expedition – a whistle-stop tour of the Earth, stopping off at some of the world’s most notorious volcanoes and in countries regularly affected by earthquakes. They will also explore the stages of a volcano, consider the causes and effects of an earthquake, and learn about the Richter scale. The children will also have the opportunity to use drama techniques such as mime, tableau and role play.

Details are as follows:

- Date:** Tuesday 26th March 2024
- Time:** School day as normal
- Place:** Woodpecker Hall Academy
- Cost:** A contribution of £5.00 is necessary to cover the cost of the workshops. Please make payments through Arbor.
- Lunch:** Children will have lunch as normal.

Full school uniform must be worn.

Yours sincerely,

Year 3 teachers
