Year 6 visit to Schroders Investment Management/MFS international

Dear Parents/Carers,

Year 6 will be visiting Schroders Investment Management/MFS international to take part in a financial education workshop run by RedSTART.

RedSTARTeducate is a financial education charity that partners with primary schools across the country. RedSTART aims to improve children's understanding of money and equip them with the skills they will need to manage their own money in the future.

They will be learning about earning, saving, risk & rewards and compound interest, through interactive and practical games. There are 5 different activities that the children will take part in, with the goal of trying to grow their money. They will also get the opportunity to either tour the venue or have a talk with employees to find out about their jobs and the organisation they work for.

Monday 20th May – 6M
Tuesday 21st May – 6O
Wednesday 22nd May – 6E
