**Year 4 – School of Noise**

Dear Parents/Carers,

Year 4 will be experiencing an engaging and hands-on science of sound workshop provided by the School of Noise, right here in the school.

Throughout the workshops children will experience how sounds are made associating some of them with something vibrating, they will recognise that vibrations from sounds travel through a medium to the ear, find patterns between the pitch of a sound and features of the object that produced it, and will discover that sounds get fainter as the distance from the sound source increases.

Each class will receive an hour workshop from a trained presenter to explore and conduct experiments on how sound is made, how it travels and where it ends up.

**Details are as follows:**

**Date:**           **Wednesday, 17<sup>th</sup> July 2024**

**Place:**           Woodpecker Hall Academy

**Cost:**           £4.00

**Lunch:**           As normal

**Full school uniform must be worn.**

Please sign into **Arbor** to give permission and to make the payment.

Thank you for your support.

Yours sincerely,

**The Year 4 Team**
