OFSTED - GOOD/OUTSTANDING

I hope you have had the chance to read our brilliant Ofsted report where we were graded good with areas that are outstanding.

It was great to see that the Inspection Team could see what brilliant work goes on in our school and that we all work together in partnership to provide the very best education and support for our children and families.

We will continue to work hard this year to build on our success and improve even further. Have your say during Parent Consultation evening by leaving comments on the feedback table provided in the Upper School Hall.

If you haven't already read the report you can access it through the link below.

AMAZING Y6 SAT RESULTS

Woodpecker provisional Y6 SAT results are in and they are the best yet! This is a three year upward trend with our results being consistently above the national average

The children's hard work and dedication to their learning; attending breakfast club interventions, after school interventions, Saturday School and Easter School, has definitely paid off.

Well done to the teaching teams and our amazing children.

ROAD SAFETY AND PARKING

Do not park on the pavements. Do not carry out a three point turn in the middle of road. Do not park on the zig zag lines. You are putting the safety of our children in danger. We are talking to Enfield council about measures that can be put into place to stop irresponsible drivers.
