Year 3 – Stones and Bones – Fox Holes Farm

Dear Parent/Carers,

This half term, in our Geography lessons, the children in Year 3 will be learning about land use in the United Kingdom and they will explore the question: Are there any farms in London?

To develop their learning about land use, the children will spend the day at Fox Holes Farm, exploring how the land is used. This working farm allows children to gain first-hand knowledge about the different activities that take place on a farm and what they use the land for.

Details are as follows

Date: **3B** - Monday 9th December 2024
 3E - Tuesday 10th December 2024
 3O - Wednesday 11th December 2024

Place: Fox Holes Farm

Cost: £5 is needed to cover the cost of the trip.
 Unfortunately, without sufficient uptake the sessions will not take place.

The children will be provided with a packed lunch but can bring their own if wished (please let the class teacher know), **please send them with a water bottle and comfortable walking shoes (preferably trainers). The children need to wear full school uniform and a warm jacket.**

Please sign into **Arbor** to give permission and make payment.

We would like support on this educational visit. If you can help, then speak to your class teacher.

Thank you for your support.

Yours Sincerely,

The Year 3 Team.
