

Friends of Woodpecker **WE NEED YOU!**

As parents of children at Woodpecker Hall Academy, you are all part of our Parent Teacher Association. Our PTA is now called Friends of Woodpecker. Our aim is to work with our community to raise funds to improve the opportunities for our children. The SLT and teachers run the PTA but we need your support. We need you to help at events, otherwise we are limited on the events we can offer our children. All we need is a bit of your time.

Class Reps Needed

We want 2 parents from each class to come forward and help us get more parents involved in events. This will not require lots of additional time.
