

Tuesday 8<sup>th</sup> July 2025

**Year 6 - Natural History Museum**

Dear Parents/Carers,

As part of our learning after the summer holidays on the topic of Evolution and Inheritance, we are delighted to be taking the children to the Natural History Museum in South Kensington. During their visit, children will take part in an engaging, curriculum-linked Evolution Workshop, where they will explore how species have changed over time using real specimens and interactive activities. This workshop supports and enriches our learning in class and provides a memorable hands-on experience at one of the UK's leading museums.

**Details are as follows:**

- Date:** 6M and 6E - Monday 15<sup>th</sup> September 2025  
6O and 6B - Tuesday 16<sup>th</sup> September 2025
- Place:** Natural History Museum, South Kensington
- Travel:** Public transport
- Cost:** A contribution of **£3.50** is needed to cover the cost of the trip. Unfortunately, without sufficient uptake, the sessions will not take place.

The children will be provided with a school packed lunch.

If you would rather provide your own packed lunch, please inform the class teacher. They will need a **water bottle** and comfortable **walking shoes** (preferably trainers). The children need to **wear school uniform** and a **jacket** with a hood advised in the event of rainy weather.

Please sign into **Arbor to give permission and to make the payment.**

If you can support this visit, please speak to your class teacher.

We would like to make you aware if your child is absent from school on the day a refund may not be possible as we must book in advance.

Thank you for your support.

Yours sincerely,

**The Year 6 Team**
