Times Table Rockstars - Workshop

Dear Parents and Carers,

Times Table Rock Stars has been part of our school for some time now, and it is a brilliant way to help children build speed and confidence with their times tables. However, we have noticed that many children are not logging in regularly.

To support you at home, we are holding a short refresher session where we will:

- Show how to log in.
- Explore the most useful game modes for practice.
- Share tips to help make playing part of your child's routine.

Date: 30/09/25

Time: 15:00 – 15:25

Place: Upper School Hall – Please go to the main office first

We look forward to seeing you there and working together to help every child succeed.

Thank you for your continued support.

Year 4
