Woodpecker Hall Walks for World Autism Acceptance

Dear Parents and Carers,

For World Autism Awareness Month Woodpecker Hall children will be taking part in creating a more inclusive and accepting society for those with autism.

On

Friday 17th April 2026

We will be raising awareness by collectively walking **10k** to help raise funds for the National Autistic Society.

We are stepping up to the **Spectrum Colour Walk 2026**, by the National Autistic Society to help raise funds to support autism projects across the UK and improve the quality of life of people with autism. The National Autistic Society help the 700,000 autistic people in the UK and their families. We will join thousands of people across the UK, and this will be a brilliant opportunity to spend time outdoors and improve the mental and physical wellbeing of our children.

On the day, please **dress up in colourful** clothes, the more colours the better
and
bring along a £1 donation

The walk will take place on our school playground/ field and throughout the day we will collectively hope to be walking a whopping **10K+**, as a school. We are SO excited to be part of raising awareness for Autism and hope you our families can support us.

Thank you in advance for your continued support and co-operation.

Yours sincerely,

Rosanna Ojosipe
Deputy Headteacher- Inclusion Lead & SENCO
Woodpecker Hall Academy
