The NEST Walks for World Autism Acceptance Month

Dear Parents and Carers,

The Nest children will be taking a '**Spectrum Colour Walk**' to and from Jubilee Park,

on Wednesday 22nd April

The NEST is stepping up to the **Spectrum Colour Walk 2026**, run by the National Autistic Society to help raise funds to support autism projects across the UK, and improve the quality of life of people with autism. The National Autistic Society help the 700,000 autistic people in the UK and their families. We will join thousands of people across the UK, and this will be a brilliant opportunity to spend time outdoors and improve the mental and physical wellbeing of our children.

On the day, please **dress up in colourful** clothes and bring along a **£1 donation**.

We will be walking a **total of 2.5k** and are excited to be part of raising awareness for Autism. When we arrive at Jubilee Park we will stop to play and have a light picnic snack. *(This will be provided)*

We will be **leaving school at 1:00pm** and will aim to return to school before the end of the school day. If you can join us, please let a member of the NEST team know and we will sign you up.

We would love for all our parents to join us on our Autism Awareness walk, be part of this special day and help raise funds for charity.

Thank you in advance for your support and co-operation.

Yours sincerely

Rosanna Ojosipe
Deputy Headteacher Woodpecker
NSCT NEST Lead
